

Who can we help?

We can help any adult affected by cancer who lives in Staffordshire.

We can help people who are:

- newly diagnosed
- undergoing treatment
- finished treatment or in remission
- living with incurable cancer

We help the person with the diagnosis and anyone who supports them; such as their husband or wife, partner, family members, or close friends.

How to get in touch

It's easy! You can telephone the Beth Johnson Foundation on **01782 844036** or you can email us at **CaSP@bjf.org.uk**

You can also ask a family member, friend or anyone involved in your care to contact us on your behalf - all they need is your permission to do so.

Who are we?

The Staffordshire Cancer Support Programme (CaSP) is a FREE service provided by the Beth Johnson Foundation.

We are a team of experienced professional Link workers and trained volunteers who can help you to find solutions to the issues that are important to you.

A member of our team will visit you in the comfort of your own home to find out what difficulties you are experiencing and together you'll work out a way forward.
