

# **VOLUNTEER**

**at our**

## **Patient Information Centre**

**Have you got a few hours to help  
between Monday and Friday each week?**

We are looking for volunteers who can help out in the Patient Information Centre currently based at **Bradwell Hospital**.

The centre stocks a wide range of information leaflets and publications associated with arthritis and related conditions. The centre is free to use and available to all visitors, patients and staff at Bradwell Hospital.

### **Could you help to:**

- Provide access to information for patients and visitors?
- Offer guidance on a range of local and voluntary amenities?

We provide full training, provide a friendly environment to work in and can pay your travel costs.

**Interested in finding out more about becoming a volunteer?**
